RE: 2002 Site Environmental
Report RTC

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Responses to Comments (RTC) on the 2002 Site Environmental Report.

U.S. DOE has adequately addressed U.S. EPA's previous comments. Therefore, U.S. EPA approves the RTC. The 2002 Site Environmental Report does not need to be modified, but the 2003 report should incorporate U.S. EPA's recommended changes.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
