RE: APPROVAL TO EXTEND APPLICATION OF THE STREAMLINED MANIFESTING PROCESS

Dear Mr. Taylor:

This letter provides Ohio Environmental Protection Agency approval to extend the streamlined manifesting process as described in your letter DOE-0045-04, dated November 17, 2003. This letter appears to summarize the items agreed upon in our November 6, 2003 TIE meeting for the continuation of this manifesting process. As part of this agreement, the EPA's will be contacted for verbal approval for any new source location requested, and will be notified when corrective actions are necessary to resolve any discrepancies.

Should you have any questions, please contact Michelle Waller or me.

Sincerely,

Thomas A. Schneider
