RE: PSP - SAMPLING WASTE BIN 6 FOR TETRACHLOROETHENE

Dear Mr. Reising,

Both the Office of Federal Facilities Oversight and the Division of Hazardous Waste of the Ohio EPA have reviewed DOE's February 13, 2004 submittal, "Transmittal of the Project Specific Plan for the Waste Pits Project at the Fernald Closure Project - Sampling of Waste Bin 6 Contents for Tetrachloroethene." Ohio EPA approves the document.

If you have any questions, please contact Michelle Waller or me at (937) 285-6466.

Sincerely,

for
Thomas A. Schneider
Fernald Project Manager
Office of Federal Facilities Oversight
