RE: A1 P4 Part 1 CDL and PSP

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Area 1 Phase 4 (A1 P4) Part One Certification Design Letter (CDL) and Project Specific Plan (PSP) for certification sampling. The documents describe soil sampling certification activities for A1,P4 Part One.

The documents appear technically adequate and are consistent with similar documents. Therefore, U.S. EPA approves the A1 P4 Part One CDL and PSP for certification sampling.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
