RE: Streamlined Manifesting
Area 3A

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) February 25, 2004, letter regarding the proposed use of the streamlined manifesting process for shipping materials from the northern portion of Area 3A to the On-Site Disposal Facility (OSDF).

U.S. EPA approves of the use of the streamlined manifesting process for this area. Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
