SUBJECT: U.S. DOE-FEMP RCRA PART A/B PERMIT APPLICATION (Rev. 9.0)

Dear Mr. Taylor:

As required, (in part) by Ohio EPA Director's Final Findings and Orders issued to DOE-FEMP June 6, 1996, DOE-FEMP maintains a RCRA Part B Permit Application to document facility protocol for the management of hazardous and mixed waste stored on-site. DOE-FEMP provides Ohio EPA's Division of Hazardous Waste Management with an update of the facility's Part B Permit Application information annually.

This office acknowledges the information contained in U.S. DOE-FEMP's RCRA Part B Application (Revision 9.0 / Up-date) and approves this documentation as submitted to Ohio EPA's Southwest District Office on January 27, 2004, and the additional Section G information (Contingency Plan) on March 18, 2004.

Should you have any questions in this matter, please contact me at 937-285-6594.

Sincerely,

Thomas E. Koch
Division of Hazardous Waste Management
