Fernald Site Document

The following Fernald site document is available for public inspection at the Public Environmental Information Center (PEIC), 10845 Hamilton-Cleves Highway, Harrison, Ohio, 513-738-0165.

▼ Draft Operable Unit 1 (OU1) Preliminary Design Deliverables — October 1995.

On October 24, 1995, the Department of Energy (DOE) will submit the OU1 Preliminary Design deliverables to the United States Environmental Protection Agency.

The OU1 Preliminary Design addresses the equipment and facilities directly associated with processing of the waste and depicts site preparation activities necessary to support processing; and the operational plans associated with waste excavation, transportation, and disposal.

If you have any questions about the document listed above, please call Gary Stegner, DOE's Public Information Director, at (513) 648-3153.

If you have any comments on this document, please call or write to:
