RE: A6 Subarea 1

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Project Specific Plan (PSP) for predesign of Area 6 Subarea 1. This supplemental PSP provides data collection activities to support predesign of the northern portion of Area 6.

This PSP appears technically adequate and is consistent with similar PSPs. Therefore, U.S. EPA approves the PSP for Area 6 Subarea 1.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
