RE: Soil Pile AR6-006 Revised PSP

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) revised Project Specific Plan (PSP) for sampling additional material on the western portion of soil pile AR6-006 for Envirocare's waste acceptance criteria.

The revised PSP has adequately incorporated U.S. EPA's previous comments. Therefore U.S. EPA approves the revised PSP.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
