Re: Approval - Removal of Billboard Structure

Dear Mr. Taylor:

Ohio EPA has reviewed the document "Discovery and Removal of a Contaminated Billboard Structure Along the South Access Road," received on February 24, 2005. Based upon our review of that submittal, Ohio EPA concurs with the approach outlined for documenting structure removal and excavation of contaminated soil associated with the structure.

Should you have any questions, please contact me at 937-285-66466.

Sincerely,

Thomas A. Schneider
