RE: A2 P3 Certification Area
 Boundary

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) November 9, 2006, letter regarding the revised correction of certification area boundary of Area 2, Phase 3 (A2 P3). The letter provides a map and data to document a minor correction to the certification boundary in this area.

The letter adequately presents the information in a technically sound manner. Therefore, U.S. EPA approves the revised correction of certification area boundary of A2 P3.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
