RE: PSP and CDL for A5 EPL

Dear Mr. Taylor:

Ohio EPA has reviewed DOE's April 5, 2005 submittal on the "Project Specific Plan and Certification Design Letter for Area 5 East Parking Lot". Ohio EPA approves these documents for certification sampling locations. However, this area still contains a storm water drainage pipe, and as such, Ohio EPA will not approve a final Certification Report until the pipe has been removed.

Should you have any questions, please contact Michelle Waller or me.

Sincerely,

for
Thomas A. Schneider
