RE: A2 P2 Subarea 3 Equipment Wash
 and Subcontractor Laydown Area

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Area 2 Phase 2 (A2 P2) Subareas 3 Certification Design Letter and Certification Project Specific Plan for the equipment Wash Facility and Subcontractor laydown area. The document describes the certification approach in these areas.

The document appears technically adequate and is consistent with similar documents. Therefore U.S. EPA approves the (A2 P2) Subareas 3 Certification Design Letter and Certification Project Specific Plan for the equipment Wash Facility and Subcontractor laydown area.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
