RE: A2 P2 Subarea 3 Impacted
 Material Haul Road CDL

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Area 2 Phase 2 (A2 P2) Subareas 3 Certification Design Letter (CDL) for the impacted material haul road. The CDL describes the certification approach for this area.

The document appears technically adequate and is consistent with similar documents. Therefore U.S. EPA approves the (A2 P2) Subareas 3 CDL for the impacted material haul road.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
