 RE: A2 P2 Subarea 3 CDL and  
 Certification Report

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Area 2 Phase 2 (A2 P2) Subareas 3 Certification Design Letter (CDL) and certification report for the trailer complex area and aquifer laydown area.

The documents appear technically adequate and are consistent with similar documents. Therefore U.S. EPA approves the (A2 P2) Subareas 3 CDL certification report for the trailer complex area and aquifer laydown area.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

 James A. Saric  
 Remedial Project Manager  
 Federal Facilities Section  
 SFD Remedial Response Branch #2
