RE: A2 P2 Subarea 3 (RTC)

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Responses to Comments (RTC) on addendum 1 to the implementation plan for Area 2 Phase 2 (A2 P2) Subarea 3 (infrastructure) subcontractor laydown area and equipment wash facility.

The RTC adequately address U.S. EPA's comments. Therefore, U.S. DOE must submit a revised document incorporating the RTC within thirty (30) days receipt of this letter.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
Remedial Project Manager
Federal Facilities Section
SFD Remedial Response Branch #2
