RE: A2 P2 Subarea 3 Revised
 Addendum (infrastructure)

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Revised addendum No. 1 to the implementation plan for Area 2 Phase 2 (A2 P2) Subarea 3 (infrastructure) subcontractor laydown area and equipment wash facility.

The revised implementation plan for the remedial design has adequately incorporated U.S. EPA's previous comments. Therefore, U.S. EPA approves the document.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
 Remedial Project Manager
 Federal Facilities Section
 SFD Remedial Response Branch #2
