RE: Soil Pile AR6-006 East PSP

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Project Specific Plan (PSP) for sampling material on the eastern portion of soil pile AR6-006 for Envirocare's waste acceptance criteria.

The PSP appears technically adequate and is consistent with other PSPs for soil pile AR6-006. Therefore U.S. EPA approves the PSP.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
