RE: Stream Corridor SSOD PSP

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Project Specific Plan (PSP) for the excavation control and precertification of the stream corridors Storm Sewer Outfall Ditch (SSOD).

The document appears technically adequate. Therefore, U.S. EPA approves the stream corridors SSOD PSP.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
