RE: A1, P2 Addendum 3

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) addendum 3 to the certification report for Area 1, Phase II (A1,P2). The addendum provides updated certification statistics from sampling performed for the debris haul road footprint located north of the former On-Site Disposal Facility equipment wash facility.

The addendum appears technically sound and consistent with similar documents. Therefore U.S. EPA approves addendum 3 to the A1, P2 certification report.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,
