RE: Area 5 CDL and PSP

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Project Specific Plan (PSP) and Certification Design Letter (CDL) for Area 5 east parking lot. The documents describe the certification approach, sampling and analysis for the east parking lot area..

The documents appear technically adequate and consistent with similar documents. Therefore, U.S. EPA approves the Area 5 east parking lot CDL and PSP.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
