RE: OU 3 Administration Complex  
 Project Completion Report

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Operable Unit (OU) 3 Administration Complex Phase 2 Decontamination and Dismantlement (D&D) Project Completion Report. The report summarizes the D&D of the above-grade Administration Complex.

The document appears technically adequate and is consistent with similar completion reports. Therefore, U.S. EPA approves the completion report the OU 3 Administration Complex.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
