RE: Stream Corridors CDL and
 Certification PSP

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Certification Design Letter (CDL) and certification Project Specific Plan (PSP) for the stream corridors storm sewer outfall ditch.

The documents appear technically adequate. However, the document is missing a schedule for sampling activities. Therefore, U.S. EPA approves the stream corridors storm sewer outfall ditch CDL and certification PSP. U.S. DOE must submit a sampling schedule within thirty (30) days receipt of this letter.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
 Remedial Project Manager
 Federal Facilities Section
 SFD Remedial Response Branch #2
