RE: AWWT Facility

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) project completion report for the Advanced Wastewater Treatment (AWWT) facility Decontamination and Dismantlement (D&D).

This completion report for the AWWT facility is technically adequate and consistent with similar reports. Therefore, U.S. EPA approves the AWWT facility D&D completion report.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
