RE: OU 1 Complex Completion Report

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Operable Unit (OU) 3 project completion report for the OU 1 Complex Decontamination and Dismantlement (D&D).

This completion report for the OU 1 Complex is technically adequate and consistent with similar reports. Therefore, U.S. EPA approved the OU 1 Complex D&D completion report.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

JAMES A. DUFF
 Remedial Project Manager
 Federal Facilities Section
 SFD Remedial Response Branch #2
