RE: 2004 Site Environmental Report
 RTC

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Responses to Comments (RTC) on the 2004 Site Environmental Report.

The RTC have adequately addressed U.S. EPA's previous comments and the changes will be incorporated into future Site Environmental Reports.

Therefore U.S. EPA approves the RTC on the 2004 site environmental report.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
