**OHIO EPA's COMMENTS ON THE MARCH 2007
INSPECTION CHECKLIST FOR THE OSDF**

GENERAL COMMENTS:

1. Commenting Organization: Ohio EPA Commentor: OFFO

Section: General Pg#: Line#: Code: C

Original Comment#:

Comment: The OSDF letter and inspection checklist only covers what was inspected and what "may" need repair. However, DOE has not provided any possible resolutions for Cells 7 and 8.

2. Commenting Organization: Ohio EPA Commentor: OFFO

Section: General Pg#: Line#: Code: C

Original Comment#:

Comment: It would be most useful if DOE would systematically track what repairs on the OSDF are needed, what's been repaired, information relating to whether the repairs made are stable, and any changes overtime.
