**RE: RESPONSES TO THE ADDITIONAL OEPA COMMENTS ON REV 0PCN1 AND
THE FINAL CERTIFICATION RPT FOR A7 MISC AREAS, REV 1**

Mr. Reising:

Ohio EPA has received DOE's "Transmittal Of Responses To The Additional Ohio Environmental Protection Agency Comments On Revision 0PCN1 And The Final Certification Report for Area 7 Miscellaneous Areas, Revision 1," received on February 22, 2007. Ohio EPA approves of the RtCs and the report as certifying the areas met the FRLs at the time the samples were collected. Ohio EPA reserves the right to re-examine the certification status of the relevant property areas, if in the opinion of Ohio EPA, the areas have been subjected to re-contamination by airborne releases, contaminated storm water run-on or any similar mechanism.

If there are any questions, please contact me.

Sincerely,

Thomas A. Schneider
Fernald Project Manager
Office of Federal Facilities Oversight
