RE: Legacy Management and
Institutional Control Plan
Revision 1 Change Pages

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) November 30, 2006, Change Pages to Revision 1, of the Legacy Management and Institutional Control Plan (LMICP). These changes were submitted to reflect updates of post-closure refinements.

The change pages appear technically adequate. Therefore, U.S.EPA approves the change pages to LMICP, revision 1.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "James A. Saric".
