RE: A9,P3 AOL Errata Pages

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) errata pages for Appendix A of the certification report for the Area 9, Phase 3 (A9,P3) Abandoned Outfall Line (AOL). The errata pages clarify incorrect reporting of many organic constituents.

The errata pages appear to have corrected the mistake. Therefore, U.S. EPA approves the errata pages for the A9 P3 AOL certification report.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
