RE: Area 2, Phase 2 Subareas 1, 2, and  
4 Certification Report Addendum

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) addendum to the Certification report for Area 2, Phase 2 Subareas 1, 2, and 4. The document describes the recertification of one certification unit that was used as a haul road in Area 2, Phase 2 that was previously certified.

The certification report addendum adequately demonstrates that the area has achieved the final remediation levels. Therefore, U.S. EPA approves the Area 2, Phase 2 Subareas 1, 2, and 4 certification report addendum.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric  
Remedial Project Manager  
Federal Facilities Section  
SPD Remedial Response Branch #2
