RE: Feed Materials Production Center
Second Five Year Review Report

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) final version of the Second Five-Year Review Report dated August 28, 2006, for the subject site also known as the Fernald Closure Project, and concurs with the protectiveness statement. The report is hereby approved.

U.S. EPA appreciates the efforts of U.S. DOE staff in conducting this review. Please contact James Saric of my staff at (312) 886-0992 if you have any questions.

Sincerely,

Richard C Karl
