RE: Area 5 Administration Area and
West Parking Lot Final CDL

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) final Certification Design Letter (CDL) for the Area 5 administration area and west parking lot. The document describes plans to demonstrate the soil in this area meets the final remediation levels.

The final CDL has adequately addressed U.S. EPA's previous comments and incorporated them into the document. Therefore, U.S. EPA approves the final CDL for the Area 5 administration area and west parking lot.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

James A. Saric
