RE: APPROVAL - CDL/PSP FOR SWRB AREA

Mr. Reising:

Ohio EPA has received DOE's "Transmittal of the Revised Certification Design Letter and Certification Project Specific Plan for the Former Storm Water Retention Basin Area (20500-PSP-0015) Draft Rev B," submitted on August 7, 2006. Based upon our review, Ohio EPA approves the Revised CDL/PSP. Ohio EPA expects DOE to put in place controls to ensure water from an uncertified area does not enter the certified area of the SWRB, specifically via the 60" pipe area.

If there are any questions, please contact Donna Bohannon or me.

Sincerely,

Thomas A. Schneider
Fernald Project Manager
Office of Federal Facilities Oversight
