RE: Area 4B Part 2 and MDC
Certification Report RTC

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Responses to Comments (RTC) on the certification report for Area 4B - Part 2 and Main Drainage Corridor (MDC) area - 1st Street.

The RTC have adequately addressed U.S. EPA's previous comments. U.S. DOE must submit a final version of the certification report for Area 4B - Part 2 and Main Drainage Corridor (MDC) area - 1st Street for review and approval.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,
