RE: Area 5 Administration Area and
East and West Parking Lots
Certification Report

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) certification report for the Area 5 administration area and the East and West parking lots. The document provides certification information and data for 25 certification units in this area.

The certification report adequately demonstrates that the area has achieved the final remediation levels, and is consistent with other certification reports. Therefore, U.S. EPA approves the Area 5 administration area and the East and West parking lots certification report.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,
