RE: Stormwater Retention Basin Area
Certification Report RTC

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Responses to Comments (RTC) on the former stormwater retention basin area certification report.

The RTC have adequately addressed U.S. EPA's previous comments. U.S. DOE must submit a final version of the former stormwater retention basin area certification report for review and approval.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,
