RE: Area 7 Miscellaneous RTC, CDL and
PSP

Dear Mr. Reising:

The United States Environmental Protection Agency (U.S. EPA) has completed its review of the United States Department of Energy's (U.S. DOE) Responses to Comments (RTC) and revised final Certification Design Letter (CDL) and Certification Project Specific Plan (PSP) for the Area 7 miscellaneous areas.

The RTC have adequately addressed U.S. EPA's previous comments and incorporated them into the documents. Therefore, U.S. EPA approves the final Area 7 Miscellaneous CDL and PSP.

Please contact me at (312) 886-0992 if you have any questions regarding this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "James A. Saric".

James A. Saric
Remedial Project Manager
