Dear Notifier:

This is in response to correspondence we received regarding new hazardous waste notification data. Attached is the information we now have on record for your site. Please verify that all information is correct.

As a reminder,

If your installation...

- moves to another location,
- changes ownership,
- changes other information (for example: mailing address, generator status, contact person, waste codes),
- no longer generates hazardous waste

Then you must...

- send a letter to deactivate your existing ID number and complete a new RCRA Subtitle C Site Identification form to receive an ID number for the new location.
- submit an updated (subsequent) RCRA Subtitle C Site Identification form.
- 1) submit an updated RCRA Subtitle C Site Identification form;
- 2) complete the parts of the form that need updated and attach a copy of the most recent previously submitted notification form; or
- 3) complete the parts of the form that need updated and attach the most recent Notification Report
- send a letter on company letterhead requesting to deactivate your ID number.

The Division of Hazardous Waste Management has created an electronic news service to provide you with quick and timely updates on events and news related to hazardous waste activities in Ohio. If you haven't already, we encourage you to sign-up for this free service at the following Web site: <http://www.epa.state.oh.us/dhwm/listserv.html>.
