Dear Mr. Seely, Mr. Schneider, and Ms. Finfera:

SUBJECT: Fernald Preserve Comprehensive Legacy Management and Institutional Controls Plan (LMICP), Revision 8, Final

REFERENCE: 1) Letter, T. Schneider to G. Hooten, "Approval – DOE's Responses to Ohio EPA Comments on the Comprehensive Legacy Management and Institutional Controls Plan, Volumes I and II, September 2014," dated December 15, 2014.

2) Electronic Mail, D. Seely to G. Hooten, "RE: 2014 LMICP RTC approval," dated December 18, 2014.

This letter transmits the *Fernald Preserve, Fernald, Ohio, Comprehensive Legacy Management and Institutional Controls Plan* (LMICP), Revision 8. This revision fulfills the annual commitment identified in Volume II of the LMICP.

Ohio EPA approved the LMICP contingent on the incorporation of the agreed upon responses to their comments (Reference 1). The responses to Ohio EPA comments have been incorporated into the final LMICP and all tracked changes in the draft LMICP have been accepted. The EPA approved the document pending incorporation of Ohio EPA's comments (Reference 2); however, the EPA has requested clarification on several insignificant issues that will be discussed in 2015.

The LMICP will be available to all stakeholders at the Visitors Center and on the Fernald Preserve page of the U.S. Department of Energy Office of Legacy Management's internet site (<http://www.lm.doe.gov>) under the Legacy Management Sites icon.
