2. Did you like the video of the VITPP? *Yes* Did it help you understand the purpose of the pilot plant?

*It helps to get a better understanding of some of the process.*

3. Was the presentation on the VITPP adequate and understandable? *Yes*

4. After tonight's meeting, do you feel you're better educated on the VITPP and vitrification in general? *Yes*

Do we need to do more informing/educating? *→ Probably so - especially to the employees*

5. How satisfied were you with responses to questions asked this evening? *GOOD Responses*

6. Do you have any other constructive comment/criticism about tonight's meeting? *Good Job Don*

*I felt that Don Daint brought more understanding of the complexities of the processes and things are always as simple as they seem - and he did this without getting over most people's heads.*

*Need to find a way to compare & put into perspective all of the important aspects to driving the decision - not just the science & tech aspect but productivity & costs as well.*
