ON-SITE DISPOSAL FACILITY PUBLIC WORKSHOP

June 24, 1997

Evaluation Survey

Thank you for attending the workshop to discuss the On-Site Disposal Facility. Please take a few minutes to answer the questions below:

1. Did you receive a notification postcard of this workshop? *Yes* If not, you are probably not on our key stakeholder mailing list. If you want to be added to the list, please ask at the registration table for a Mailing List Request form.

2. Was the presentation on the status of the OSDF adequate and understandable?
yes

3. Did the presentation on the performance and integrity of the OSDF adequately address the issue regarding the placement of materials in the cell?
yes somewhat

4. Were your questions about cost comparisons (OSDF vs. NTS) answered?
yes

5. Do you have a better understanding of the over-sized materials that may be put in the OSDF?
yes!

6. How satisfied were you with responses to questions asked this evening? *very*
Is additional information on over-sized materials needed?
yes!

7. Do you have any other constructive comment/criticism about tonight's meeting?
no!

Evaluation Survey

Thank you for attending the workshop to discuss the On-Site Disposal Facility. Please take a few minutes to answer the questions below:

1. Did you receive a notification postcard of this workshop? *OK* If not, you are probably not on our key stakeholder mailing list. If you want to be added to the list, please ask at the registration table for a Mailing List Request form.

2. Was the presentation on the status of the OSDF adequate and understandable?

CATEGORIES CONFUSING

3. Did the presentation on the performance and integrity of the OSDF adequately address the issue regarding the placement of materials in the cell?

MORE DESCRIPTION NEEDED ON CELLS 1-9.

4. Were your questions about cost comparisons (OSDF vs. NTS) answered?

NO I RAISED MY HAND AND WAS NOT RECOGNIZED. OTHERS SIMPLY YELLED OUT THEIR QUESTIONS AND WERE VERY DISCOURTEOUS.

5. Do you have a better understanding of the over-sized materials that may be put in the OSDF?

YES I BELIEVE THESE LARGE PIECES SHOULD BE RECYCLED.

6. How satisfied were you with responses to questions asked this evening?

Is additional information on over-sized materials needed?

WHY NOT RECYCLE. RECYCLING SHOULD BE PRIORITY #1!

7. Do you have any other constructive comment/criticism about tonight's meeting?

PROPOSED DISPOSAL CELL MAP EXCELLENT. THANKS

2. Was the presentation on the status of the OSDF adequate and understandable?
yes -
3. Did the presentation on the performance and integrity of the OSDF adequately address the issue regarding the placement of materials in the cell? *yes - without new info re: 18' Steel Beams - new (dropped in our laps).*
4. Were your questions about cost comparisons (OSDF vs. NTS) answered? *yes, cost always seems to be the driver!*
5. Do you have a better understanding of the over-sized materials that may be put in the OSDF? *yes*
6. How satisfied were you with responses to questions asked this evening? *okay - need more re: recycle issues*
Is additional information on over-sized materials needed?
maybe - new steel beam issues
7. Do you have any other constructive comment/criticism about tonight's meeting?
don't like new issues dropped in our laps! - need more info re: steel beams! Possibly follow-up / plan!
