Other (please indicate)

2. Did you understand the purpose of the meeting tonight?

Yes!

3. Were the presentation(s) about the Silo 3 path forward understandable? If not, please specify issues in which you would like more clarification.

pretty much so - still too much influence put on cement!

4. Do you have any questions or concerns at this stage of the Silo 3 decision-making process? If so, please specify.

Yes - on-site -vs- off-site treatment issue

5. How satisfied were you with responses to questions asked this evening?

okay - cement was showed alot! - try to be impartial for all tech's!

6. Do you have any other constructive comment/criticism about tonight's meeting?

Follow-up on Draft RFP (need another meeting) to review - more discussion on on-site vs off-site (ESD - ROD amd.) issue
