Sept. 8, 1998, Cleanup Progress Briefing Evaluation Results

Eleven people completed the evaluation forms.

1. **Would you prefer to hold future Cleanup Progress Briefings at the Fernald site or at an off-site location:**
 Fernald Site 9 Off-Site Facility 1 Don't Care 1

2. **Did you find the Building Demolition Video and Silos Project Video useful and informative communications tools?** Yes 10 No _____ No Answer 1

3. **Will you watch, or recommend to others, the Fernald project managers' presentations on community access television?** Yes 10 No 1

4. **Please indicate any comments or questions about the project managers' presentations tonight.**
 - Oct. 5 for Silos Roundtable is better for us, Oct. 7 is out! As we move into the Waste Pits remediation, we need to keep more information flowing. More detailed monthly updates.
 - I would prefer the Silos Roundtable on 10/5; couldn't make the one on 10/7.
 - Some presentations were too long. Too many acronyms used without explanations.

5. **Do you plan to attend the Oct. 13 Cleanup Progress Briefing public hearing on future land use of the Fernald site?** Yes 7 No 3
 Maybe 1

Thank you for your feedback!
