Dear Mr. Gunderson:

Please find enclosed two copies of the *Decommissioning Operations Plan* (DOP) for the Building 371 Cluster. The DOP is transmitted to start the 45-day public comment period in accordance with paragraph 107 of the Rocky Flats Cleanup Agreement (RFCA). We appreciate your approval of our request to defer the 14-day pre-public comment period. This facilitates starting the public comment period on Thursday, December 21, 2000, and ending on Monday, February 5, 2001.

This DOP was developed based on consultations with your staff and comments from interested stakeholders which permitted us to address many of their concerns during the drafting of the enclosed version. We will continue to discuss with your staff any remaining issues including the typing of Building 374.

Thank you for your consideration of this matter. If you have any questions regarding the DOP, please call Fred Gerdeman at (303) 966-6203.

Sincerely,

Joseph A. Legare
Assistant Manager for Environment
and Infrastructure
