Mr. Steven H. Gunderson
Rocky Flats Cleanup Agreement Project Coordinator
Colorado Department of Public Health and Environment
4300 Cherry Creek Drive South
Denver, Colorado 80246-1530

Dear Mr. Gunderson:

The purpose of this letter is to transmit for your concurrence the Pre-Demolition Survey Reports (PDSRs) for the Building 771 Locker Room Area (AC), the Building 771 Administration Building (West), the Indirect/Direct Evaporative Cooling Building (IDEC), and the Building 775 (Sanitary Lift Station) and Concrete Pads (Diesel Tanks and Building 716). The Rocky Flats Project Office (RFPO) has reviewed these PDSRs and determined that the corresponding areas of Building 771 can be released for demolition. In addition, RFPO contracted with the Oak Ridge Institute for Science and Education to do an Independent Verification and Validation (IVV) of three of the PDSRs. The formal report for this IVV will be transmitted to the Colorado Department of Public Health and Environment upon receipt by RFPO.

Your support to accomplish the closure and removal of Building 771/774 in a safe and timely manner is greatly appreciated. Please feel free to direct any questions to Warren Seyfert at (303) 966-5925.

Sincerely,

Joseph A. Legare, Director
RFPO Project Management
