Mr. Steve Gunderson
Rocky Flats Cleanup Agreement Project Coordinator
Hazardous Materials and Waste Management Division
Colorado Department of Public Health and Environment
4300 Cherry Creek Drive South
Denver, Colorado 80222-1530

Dear Mr. Gunderson:

This is to transmit the enclosed Draft Rocky Flats Environmental Technology Site Building 776/777 Decommissioning Operations Plan (Draft DOP) for Colorado Department of Public Health and Environment (CDPHE) review and approval. This Draft DOP applies to the decommissioning actions for Buildings 776/777 and 730, that are Type 3 and Type 2 buildings, respectively. We will issue the Draft DOP for a 45-day public comment period, in accordance with paragraph 107 of the Rocky Flats Cleanup Agreement (RFCA).

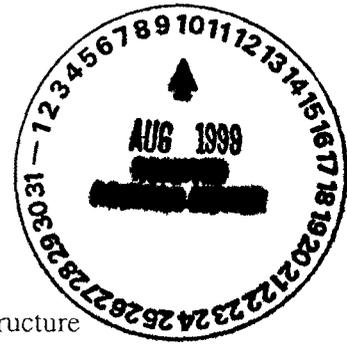

This Draft DOP is also being submitted to the Environmental Protection Agency (EPA) for review and comment in accordance with paragraph 72 of RFCA. Under paragraph 72, EPA should provide comments to CDPHE. CDPHE should provide a single set of consistent consolidated comments in accordance with paragraph 112 of RFCA.

This Draft DOP was developed based on scoping and other consultations with CDPHE and EPA, and based on the requirements of the Decommissioning Program Plan. DOE has worked in a collaborative manner with CDPHE to disposition comments received from CDPHE on previous preliminary Drafts developed during the scoping period.

Questions regarding this letter can be directed to me at (303) 966-5918 or Dorothy Newell at (303) 966-3581.

Sincerely,

Joseph A. Legare
Assistant Manager
for Environment and Infrastructure
