Dear Mr. Gunderson:

Enclosed for your review is the Decommissioning Closeout Report for the Building 779 Closure Project. This document formalizes the completion of the decommissioning of Building 779, as prescribed in the Decommissioning Operations Plan for Building 779. Furthermore, this report serves as documentation of completion of the Rocky Flats Cleanup Agreement Milestone FY 00-M2, "Complete demolition to slab of B779 by 9/30/00." I also wanted to recognize the contributions of your staff (E. Kray) and the staff of the Environmental Protection Agency (M. Aguilar) for their proactive and responsive regulatory participation in the project.

I look forward to sending you more completion reports as we continue to move towards achieving our aggressive schedules for site closure. Questions regarding this letter and report can be directed to me at (303) 966-5918 or David Nickless (303) 966-5221.

Sincerely,

Joseph A. Legare
