RE: Pre-Demolition Survey Report (PDSR) for B879 - Approval

Dear Mr. Legare:

The Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division has reviewed the PDSR for Building 879; Version 0 dated January 3, 2005. We have also received your letter dated January 26, 2005. Based on the information contained in this PDSR, we are hereby approving this PDSR for Building 879.

Although we are approving this PDSR for B879, and as addressed in your letter, we previously reviewed the draft PDSR data for B879 and agreed that this structure could be demolished, as described in a Contact Record dated December 23, 2004. We also requested that a characterization of the inaccessible portions of the slab underneath this structure be performed upon removal of this structure. It is our understanding that this was performed, with the results to be provided in the Closeout Report for B879.

If you have any questions regarding this correspondence please contact me at (303) 692-3367 or David Kruchek at (303) 692-3328.

Sincerely,

Steven H. Gunderson
RFCA Project Coordinator
