Date: August 30, 2000 11:00 am RFETS B116
Site Contact(s): Lane Butler, Annette Primrose
Regulatory Contact: Gary Kleeman Extension: (303) 312-6246
Agency: EPA

Purpose of contact:

Review of preliminary responses to Broomfield and Westminster comments on the OUI
CAD/ROD modification.

Discussion:

Gary was on site for another reason today. He stopped by and read the responses to comments
from Westminster and Broomfield. He stated that he had no issues with the responses in regards
to removal of the French Drain and said that it was ok to proceed.

He received his copy of the Field Implementation Plan today while he was on Site.
